USE

- Clear space around the mark: the height of the letter “U” on every side.
- Smallest size: 35 mm wide in print, 160 px on screen. Below that use the icon.
- Do not stretch, rotate, recolour, outline or add shadows to the mark.
- Do not place the dark version on a dark photograph — use the white version.
- Associations may place the mark next to their own crest at equal height on posters, accreditations and broadcast graphics.
- Files: SVG and EPS for designers and printers, PDF for documents, PNG with transparent background at 512 / 1024 / 2048 px.
